## Membership Fees and Friends of the Museum

2011 Annual Membership Fees are due by January 31, 2011. As a member support organization, we know our memberships are simply not enough to keep this organization running each year. Thus we rely heavily on people like you who understand the importance of what we do here and appreciate all the wonderful exhibits, cultural and education programs we offer to the people of Princeville and beyond. So in October of 2010 we launched our Friends of the Museum Campaign. See the details and a current list of generous donors who have become Friends of the Museum on Page 2.

Annual Members, please join us by renewing your Annual Membership and considering a contribution to the Friends of the Museum Campaign.

Lifetime Members, please consider contributing to the Friends of the Museum Campaign.

## Volunteers Needed!!

The Princeville Heritage Museum had over 3500 visitors in 2010. The Historical Association of Princeville is truly a treasure in our community.

This is where we need your help! To keep the museum open and events going strong throughout the year, we need volunteers. We are now scheduling through December. You can make a difference with one day a month. Volunteer activities include:

Receptionist/Tour Guide: Answer telephone, light clerical work, greeter and visitor tours. Assist with displays.

Artifact Research & Data Entry: Catalog and record artifacts. Research artifacts as needed. Work on updating current displays and creating new displays in main museum.

Genealogy Research: Maintain genealogy record maintenance. Assist visitors with genealogy research.

Events: Assist with museum events. Plan, organize, decorate and set-up for one of many upcoming museums occasions.

Tractor & Machinery Restoration, Research and Data Entry: Maintain tractors and machinery. Research agriculture and machinery artifacts. Catalog and record artifacts. Set up displays in buildings two and three.

Volunteer with a friend or your spouse. Currently, the museum is open Monday, Wednesday & Friday 10am to 2pm. To keep these hours we need your help.

If you are interested in volunteering or have a questions, please call 385-1916.
